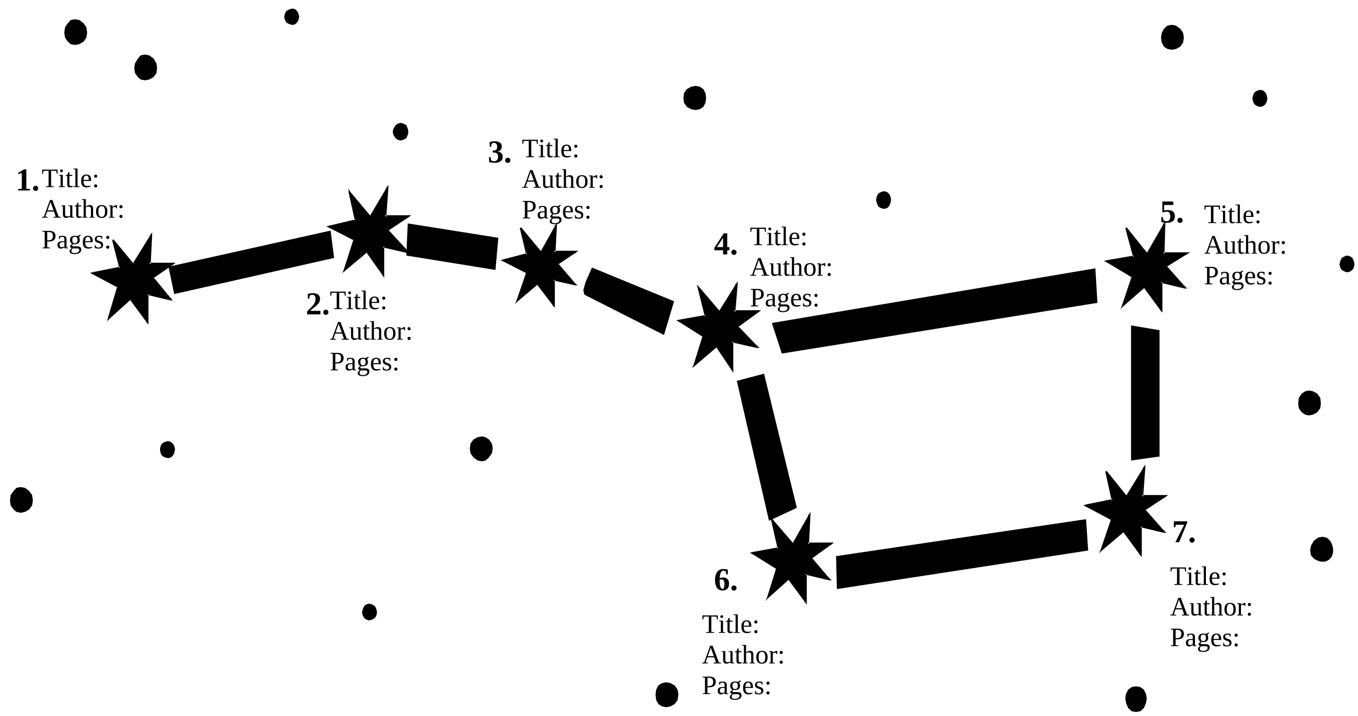
Shoot for the STARS



with Summer Reading

How to get there:

With a parent, decide the best way to travel from star to star. Make sure you are choosing books that are a good fit for your reading level.

A. Are you a beginning reader? Choose seven picture books.
B. Just starting chapter books? Mark a star for every 20 pages you read.
C. A middle reader? Mark a star for every 50 pages you read.
D. An advanced reader? Mark a star for every 100 pages you read.

Want to keep reading? Keep track of your progress on the back. There will be additional prizes for students who read the most!

Student Name:____________________________

Total Books/Pages Read: _________

Parent Signature: ___________________________

Bring this form with you to the Open House or the first week of school to claim your prizes.

Need ideas for books? Check out the links on Sycamore.
